

Khwaab's Signature Package

The Signature package is a thoughtfully curated Mehndi setup designed for intimate celebrations. It focuses on balance, color harmony, and clean styling to create a polished yet warm look.

What's Included:

Perfect for home gatherings and smaller venues, this package brings together draped backdrops, coordinated florals, and styled seating to create a festive setting without feeling overwhelming.

It's elegant, joyful, and effortlessly put together. Best for clients who want something beautiful, cohesive, and timeless.

Khwaab Luxe Mehndi Experience

The Bespoke Mehndi experience is fully custom, designed entirely around your vision, space, and personal style.

From concept to execution, every detail is thoughtfully tailored — color palette, layout, florals, textures, and styling elements. No templates. No limitations. Just a design that feels deeply personal and one of a kind.

**You dream it.
We design it - down to the last detail.**

Whether you're hosting:

- an intimate Mehndi at home
- or a full-scale Mehndi in a luxury hall

this package adapts seamlessly.

For clients who want something truly unique and intentionally designed down to the last detail.
